Dear Sir:

INFORMATION DISCLOSURE STATEMENT AND
PETITION UNDER 37 C.F.R. §1.97(d)

Pursuant to 37 C.F.R. §§1.56 and 1.97(d), Applicant brings to the attention of the Examiner the document listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed after a Notice of Allowance but on or before payment of the issue fee and is accompanied by a fee of \$180.00, as specified by §1.17(p) and a certification as specified under §1.97(e). Applicant respectfully petitions and requests that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached form.

The item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

As the Office has waived the requirement under 37 CFR §1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication, a copy of the listed U.S. patent is not included with the submission of attached Form PTO 1449.] Applicant respectfully requests that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached form.

The listed document was cited in the European Search Report which issued from a corresponding European Patent Application. A copy of the European Search Report is included

Applicant : Peter M. Willis

herewith. The European Search Report is not a reference, and Applicant does not necessarily subscribe to any of the statements contained therein.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If it should be determined that the listed document does not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 16-2463.

Respectfully submitted,

PETER M. WILLIS
